

**INTERAGENCY SUSTAINABILITY WORKING GROUP MEETING**  
**Interagency Energy Management Task Force**  
*June 2, 2004*

**FEDERAL AGENCY BUILDING PROJECTS**

<i><b>AGENCY</b></i>	<i><b>PROJECT</b></i>	<i><b>CONTACT</b></i>
<b>ATLANTA REGION</b>		
Naval Facilities Engineering Command, Southern Division	Replace approximately 60 windows located in Building 2 classrooms and drill hall with new ENERGY STAR® windows rated for the southern zone; Navy and Marine Corps Reserve Center, Mobile, AL (May 2004)	Thomas Parenteau 850-452-4616 Solicitation Number N62467-04-Q-2354
Mississippi Air National Guard	Architect and engineering project; evaluation factors include architect, civil engineer, and energy management specialist; Meridian, MS (May 2004)	Donna Phillips 601-313-1663 Solicitation Number W9127Q-04-R-0006
National Aeronautics and Space Administration	Upgrade EMCS; provide all labor, equipment, tools and materials to renovate and upgrade the EMCS central console area and associated supporting equipment and systems; Stennis Space Center, MS (May 2004)	Jason Edge 228-688-2346 Solicitation Number NNS04ZBA005R
U.S. Fish and Wildlife	Architect-engineering services including architectural design, mechanical, electrical and plumbing engineering, experience with sustainable design and environmentally sensitive design practices; AL, AR, FL, GA, KY, LA, MS, NC, SC, TN, PR, VI (April 2004)	Roger Lockhart 404-679-4146 Solicitation Number 20040894
National Aeronautics Service Administration	Architect-engineering services for study and design of building 4601 and 4602 with services including architectural, interior design, civil/structural, electrical, landscaping, and mechanical building components; experience needed in sustainable design and LEED certified buildings; George C. Marshall Space Flight Center, AL (April 2004)	George C. Marshall Space Flight Center, AL
<b>BOSTON REGION</b>		
General Services	Architect-engineering services with specialized experience in energy conservation,	Susan Hetrick 401-528-4206

<b><i>AGENCY</i></b>	<b><i>PROJECT</i></b>	<b><i>CONTACT</i></b>
Administration	Certified Energy Manager, leads life cycle costing analysis, pollution prevention, waste reduction, and the use of recovered materials; MA, RI, CT, ME, NH, VT (April 2004)	Solicitation Number GS-01P-04-NLD-0044
Department of the Navy, Naval Facilities Engineering Command	Design and construction of the Bachelor Enlisted Quarters at the Naval Academy Prep Schools; environmental and engineering services, building shall incorporate sustainable design features on the USGBC's LEED level; Naval Station, Newport, RI (April 2004)	Susan Noce 610-595-0806 Solicitation Number N62472-01-R-0101
<b>CHICAGO REGION</b>		
General Services Administration, Public Buildings Services	Renovation of John W. Bricker Federal building and parking garage repair; provide all additional work required or the inclusion of the additional LEED requirements; Columbus, OH (May 2004)	Bobbie Tyler 312-886-7875 Solicitation Number GS05P04GBC0019
Veterans Affairs	Architect and engineering project to add a second and third floor to the Primary Care addition currently under construction; design build; use sustainable design; Cincinnati, OH (May 2004)	Timothy Perkins 513-475-6338 Solicitation Number 539-22-04
U.S. Army Corps of Engineer – Rock Island District	Architect-engineering services for master planning, conceptual design, and construction documents for environmental learning center, exhibits, and performing arts amphitheater; geothermal energy system for heating and cooling; building to obtain LEED certification; Lake Red Rock, Marion County, IA (May 2004)	Michael Hoh 309-794-5519 Solicitation Number W1912EK-04-R-0007
General Services Administration, Public Buildings Services	Architect and engineering design for interior renovation of Federal building with silver standard as defined in the U.S. Green Building Council of Energy and Environmental Design (LEED), Green Building System; energy conservation and LEED analysis; Des Moines, IA (May 2004)	Joseph York 816-823-4915 Solicitation Number GS06P03GZM0519
General Services Administration	Architect-engineering services for interior renovation of Federal building; opportunity for design excellence in public architecture; include mechanical/electrical system	Joseph York 816-823-4915 Solicitation Number GS06P03GZM0519

<b><i>AGENCY</i></b>	<b><i>PROJECT</i></b>	<b><i>CONTACT</i></b>
	improvements/upgrades; project shall be registered and designed to meet LEED certification; Des Moines, IA (April 2004)	
General Services Administration	Replace all building windows and provide laminated insulated windows, HVAC upgrades, replace pneumatic temperature controls with new DDC, new chilled water treatment, inclusion of LEED requirements (April 2004)	Bobbie Tyler 312-886-7875 Solicitation Number GS05P04GBC0019
Department of Agriculture	Architect and engineering services including architectural, structural, civil, mechanical and electrical engineering for pre-design, and post design services, energy-related studies, environmental assessments, surveys, design review services, environmental evaluation, documentation as required under NEPA, National Historical Preservation Act evaluation; USDA facilities, IL, MN, WI, MO, IA, IN, OH, MI (April 2004)	Rebecca Holzinger 309-681-6616 Solicitation Number 5114-4-0100
<b>DENVER REGION</b>		
U.S. Army Corps of Engineer – Kansas City District	Construction of the Command and General Staff College; include AERCO modular boilers; minimize long term operating costs by maximizing energy efficiency at partial load conditions as the boilers match the building load requirements; Fort Leavenworth, KS (May 2004)	Pamela Wellons 816-983-3802 Solicitation Number DACA41-03-C-0003A
General Services Administration, Federal Supply Service	Solar energy systems, energy saving lighting products, and specialty lighting; Fort Worth, TX (May 2004)	Anita Banks 817-978-8385 Solicitation Number 7FCI-F8-03-0056-B-FSG-62
Army	Upgrade the white phosphorus munitions filling facility at Pine Bluff Arsenal to facilitate a more environmentally friendly system to meet or exceed environmental regulations and to increase system efficiency and safety overall; Pine Bluff, AR (May 2004)	Pamela Burton 870-540-4074 Solicitation Number W911RP-04-T-0137
General Services Administration,	Construct new Federal Bureau of Investigation field office; first floor areas of the Office and Annex are served by an	Carrie Haman 817-978-6163 Solicitation Number

<b>AGENCY</b>	<b>PROJECT</b>	<b>CONTACT</b>
Public Buildings Services	overhead HVAC air distribution system; comply with a U.S. Green Building Council's Leadership in Energy and Environmental Design Rating System; Houston, TX (May 2004)	GS-07P-04-UEC-1003
Army Engineer District	Design-build a training and support facility with sustainable design using LEED rating system; AEF Deployment Center, Hill AFB, UT (May 2004)	Timothy Boyd 916-557-5226 Solicitation Number W91238-04-R-0017
U.S. Army Corps of Engineer – Omaha District	Construct barracks and co ops complex, incorporate Army sustainable design and development program by using the sustainable project rating tool (SPIRIT) to a gold rating level of sustainability; Fort Carson, CO (April 2004)	Melvin Vogt 402-221-4298 Solicitation Number W9128F-04-R-0021
<b>PHILADELPHIA REGION</b>		
Architect of the Capitol	Architect and engineering design and planning services; environmental sustainability experience and knowledge including energy conservation and indoor environmental air quality, U.S. Capitol, Washington, DC (May 2004)	Chischanda Smith 202-358-3573 Solicitation Number GS11P04MKC0022
General Services Administration, Public Buildings Services	Architect and engineering design and planning services; repair and alterations, renovations and modernization of Federal facilities; incorporate sustainable design, achieving waste reduction, and energy efficiency; experience for direct digital controls; PA, VA, MD, DE, WV, NJ (May 2004)	Celeste Dow 215-656-6097 Solicitation Number GS-03P-04-CDD-0034
Architect of the Capitol	Architect and engineering design and planning services to update the United States capitol complex master plan including experience with environmental sustainability experience and knowledge (April 2004)	Chrischanda Smith 202-358-3573 Solicitation Number GS22P04MKC0022
General Services Administration	Construct a courthouse for the U.S. District Court, U.S. Bankruptcy Court, U.S. Probation Office, Pretrial Services Office, Federal Public Defender, U.S. Marshals Service, U.S. Trustees Office and other tenants; project includes HVAC, electrical power and distribution, lighting, and LEED certification	Lloyd Jenkins 215-446-4508 Solicitation Number GS-03P-04-DXC-0020

<b>AGENCY</b>	<b>PROJECT</b>	<b>CONTACT</b>
	(silver rating); Richmond, VA (April 2004)	
U.S. Army Corps of Engineers	Design of national museum, architect and engineering services with experience in energy conservation, pollution prevention, waste reduction, SPIRIT evaluations, and the use of recovered materials; Fort Belvoir, VA (April 2004)	Mary Riche 410-962-4880 Solicitation Number W912DR-04-R-0029
<b>SEATTLE REGION</b>		
Department of Agriculture, Forest Service	Architectural engineering services with experience in energy conservation, pollution prevention, waste reduction, and the use of recovered materials; Federal lands, in Mendocino, Shasta-Trinity, Klamath, Six Rivers, Plumas, Lassen, Modoc, Tahoe, Eldorado, Lake Tahoe Basin Management Unit, and Inyo National Forests, CA (May 2004)	Pam Ockerman 530-934-1111 Solicitation Number R5NP0804056
General Services Administration, Public Buildings Services	Architect and engineering services including electrical, mechanical, structural, civil engineering, communications, energy conservation, and expertise in the areas of space planning and green/sustainable building design; Region 10 Southern Service Center, Portland, OR (May 2004)	Wayne Benjamin 243-931-7290 Solicitation Number GS-10P-04
Air Force	Provide Energy Management Control System operation, maintenance and installation services and any upgrades necessary to achieve energy conservation measures; Davis Monthan AFB, AZ (May 2004)	Arthur Perry 520-228-2213 Solicitation Number 520-228-2
Department of Labor	Architect and engineering design and construction of dormitory facilities with required disciplines including structural, civil, architectural, mechanical (HVAC & plumbing), electrical and environmental; qualifications include energy efficiency/waste reduction capabilities; Curlew Conservation Center, WA (April 2004)	Jennifer Snook 202-693-3310 Solicitation Number JC-15-03
Department of Homeland Security	Design build operations and administration building, mechanical and electrical systems include HVAC with DDC, include sustainable design features capable of obtaining a silver rating by the USGBC LEED building rating	Anita Repanich 206-220-7426 Solicitation Number DTCG50-04-R-643AF7

<i><b>AGENCY</b></i>	<i><b>PROJECT</b></i>	<i><b>CONTACT</b></i>
	system; U.S. Coast Guard Facilities Design and Construction Center Pacific, Seattle, WA (April 2004)	
<b>MULTIPLE REGIONS</b>		
Department of Agriculture, Forest Service	Provide design services and architect and engineering design services with experience in energy conservation, pollution prevention, waste reduction, and use of recovered materials; UT, NV, ID, WY, CA (May 2004)	Carolyn Lippire 801-975-3444 Solicitation Number RFP-60-04-015
